

July 25 1945

Mr John R. Manning
Col. Internal Revenue
Newark N.J.

Dear Sir:

I am in receipt of a letter from you of July 12th, in which you say "Receipt is acknowledged of form 729 for the period of July 1945. Please be advised that this form should have been filed on or before the last day of the month following that for which it is made". The letter goes on to ask for an explanation for not filing in the prescribed time.

I do not understand the letter, first of all our admission tax is collected at the park each time we play, by the deputys you send there. I get a receipt from them on each occasion. I have never filed any kind of a supplementary form.

I will be glad to come to the office to get the matter straightened out if it is necessary. Please let me know who to see.

Very Truly Yours
